MOA Requirements for Feed and Feed Additive Administrative License Application

Report Categories:

FAIRS Subject Report

Approved By:

M Melinda Meador

Prepared By:

Joshua Emmanuel Lagos and WU Xinpeng

Report Highlights:

On May 2, 2012, China's Ministry of Agriculture (MOA) published a Circular on Soliciting Public Comments on the Application Materials for the Administrative License of Feed and Feed Additive, which included seven Annexes related to requirements for application materials for feed and feed additive. This report contains an UNOFFICIAL translation of the Circular and six Annexes from 2 to 7, which regulate domestic feed and feed additive production issues (Note: Annex 1- Requirements for Application Materials for Import of Feed and Feed Additive was sent as GAIN report CH12035 on May 21, 2012). MOA requested all comments to be submitted no later than June 2, 2012.

Executive Summary:

On May 2, 2012, China's Ministry of Agriculture (MOA) published a Circular on Soliciting Public Comments on the Application Materials for the Administrative License of Feed and Feed Additive, which included seven Annexes related to requirements for application materials for feed and feed additive. This report contains an UNOFFICIAL translation of the Circular and six Annexes from 2 to 7, which regulate domestic feed and feed additive production issues (Note: Annex 1- Requirements for Application Materials for Import of Feed and Feed Additive was sent as GAIN report CH12035 on May 21, 2012). MOA requested all comments to be submitted to MOA by letters, faxes or emails no later than June 2, 2012.

General Information:

BEGIN TRANSLATION

Documents to be downloaded:

1. [Requirements on Application Materials for Import Feed and Feedstuff Additive;](#)
2. [Requirements on Application Materials for New Feed and New Feedstuff Additive;](#)
3. [Requirements on Application Materials for Production License of Single Feed;](#)
4. [Requirements on Application Materials for Production License of Mixed-type Feeds Additive;](#)
5. [Requirements on Application Materials for Production License of Compound Feed, Concentrated Feed and Fine Fodder Supplemented Feed;](#)
6. [Requirements on Application Materials for Production License of Feedstuff Additives](#)
7. [Requirements on Application Materials for Production License of Premixed Feed Additive.](#)

The Administrative Measures on Feed and Feed Additive (hereinafter referred to as the “Measures”) amended and adopted at the 177th Executive Meeting of the State Council on Oct 26, 2011 entered into effect on May 1, 2012. In accordance with the requirements of the Measures and the relevant implementation rules, on the basis of the classification of the administrative license for the feed and feedstuff additive, the MOA has drafted seven documents related to requirements on the application materials for administrative license (draft for comments) and published hereby for soliciting public comments. Any comments and suggestions for revision from relevant organizations or individuals shall be submitted by means of letter or email not later than June 2, 2012.
