Report Highlights:

"The Tai-wan Foodservice—Behind the Scenes" is a publication featuring the trends of Taiwan's foodservice industry. This newsletter will feature statistics related to Taiwan's foodservice industry and perspectives from the interviewees so that you, our readers, are able to obtain more objective information.

The editor will focus on a different aspect of Taiwan's foodservice and interview hotel and restaurants professionals for their insights on current foodservice trends as well as their business strategies. The introduction of the hotels and restaurants can also serve as your future accommodation and dining guides in Taiwan.

General Information:

The newsletters are available for download at ATO Taipei website www.usfoodtaiwan.org.
