Report Highlights:

Taiwan Food and Drug Administration (TFDA) announced its 2022 enhanced border inspection list for agricultural products. Of the total 23 products listed from specific countries, 3 U.S. products are on the list. “Fresh apple” (HS code: 0808.10.00.00.2), “fresh avocado” (HS code: 0804.40.00.00.0-A) and “other paper plate” (H.S. code: 4823.69.00.00.5-E) from the United States will have enhanced border inspection rates from 20 to 50 percent. This announcement will be effective from January 1, 2022 to December 31, 2022.

Taiwan FDA announces food and related products' enhanced border inspection list annually. Products in the list will have enhanced inspection rate from 20 to 50 percent (an increase from the normal 2 to 10 percent inspection range). TFDA released [2022's enhance inspection list](#) (in Chinese) which removed 10 products from 2021's list and added 15 new products to the list. For 2022, "fresh apple" (H.S. code: 0808.10.00.00.2), "fresh avocado" (H.S. code: 0804.40.00.00.0-A) and "other paper plate" (C.C.C code: 4823.69.00.00.5-E) from the United States will be subject to the higher inspection rate effective from January 1, 2022 to December 31, 2022. The United States did not have any products on the 2021 list. The full enhanced inspection list is attached below.
